

## Company Quality Policy 2022

It is the policy of Stephenson Gobin to supply its customers with products and services that meet their individual requirements.

Stephenson Gobin will maintain its quality management system to meet the requirements of ISO 9001, its environmental management system to meet ISO 14001 and its health and safety management system to meet ISO 45001.

By continually analysing business data, Stephenson Gobin will identify improvements in its management systems, set objectives and review them with the ultimate goal of enhancing customer satisfaction, the environment and the health and safety of its employees, contractors, and other stakeholders.
